

MUSICA MODEL YEAR 2022

EN

DATE: NOVEMBER 2021

TIMELESS CLASSIC:
THE LMC MUSICA

QUALITY. TRUST. AT HOME.

LMC

INIMITABLY
EYE-CATCHING

HITCH UP, GET ON THE ROAD **AND FEEL AT HOME**

The classic Musica is our model range with the longest history. With a choice of three layouts, it fulfils everything you might expect from a sophisticated home on four wheels: premium chassis, single beds, spacious wardrobe as well as a large refrigerator, wide drawers and plenty of daylight are just some of the highlights of the overall top-quality features and equipment. A couple deciding for this model range does not have to make too many changes to their lifestyle.

We at LMC build your moving home-from-home in a way that reflects the long-standing expertise of our highly-skilled workforce. Our product portfolio made in Sassenberg is defined by a passion for caravanning and over 65 years of experience. Sit down in the Musica and appreciate the good life!

CLASSIC BEAUTIFUL LIVING IN A STYLISH INTERIOR

The large skylight and the window integrated into the entrance door flood the Musica's interior with bright daylight. Besides the generous storage space offered by the numerous overhead lockers, other feature details such as the large refrigerator reflect the high-end character of this model. There is even still enough room for adding your personal touches. The large end washroom, which is not only cleverly planned but also impresses with its brightness and technical equipment, also offers plenty of space.

Our product designers meticulously put themselves in the shoes of the users, take their needs and requirements into account and think even one step further in order to build a high-quality, well thought out and cosy home-from-home. For wonderful holidays that make you happy!

BEAUTIFULLY
CHARMING AND
COMFORTABLE

SETS HEARTS
AFLUTTER!

PLENTY OF SPACE
TO ENJOY

The Musica's is intentionally furnished in warm wood shades throughout. Its particularly classic character is due to the matt white unit fronts and the modern upholstery. Thanks to the soft-close mechanism, nothing interrupts the pleasant peace and quiet.

A further highlight at the end of the vehicle are the popular single beds, which can also effortlessly and flexibly be converted into one large bed (layout-dependent).

FAVOURITE PLACE TO LINGER

Nothing to stop you enjoying a cosy gourmet dinner a deux! The fashionable yet still foldable upholstery conceals easily accessible additional storage compartments.

The combination of first-class kitchen appliances, including a three-burner hob and spacious drawers, ensures that you'll be able to enjoy amazing food on the go. The 140 l refrigerator in the kitchen offers plenty of space for special delicacies. Our Musica – the smart home for those who enjoy the good things in life!

FUNCTIONAL, VARIABLE **AND MODERN**

INTERIOR HIGHLIGHTS

- Everything well-organised: no problem, thanks to the extra-wide wardrobe.
- From compact to generous: Thanks to the rollaway principle, our single beds can also easily be fastened together to create one large bed.
- The high-quality slatted bases and cold foam mattresses on all beds ensure that you can relax and always get a good night's sleep.
- Blinds as well as fly screens in the sleeping area create the desired level of privacy.
- Practical washroom layout and technology offers plenty of space for everyone.
- The transparent window in the entrance door contributes to the bright, welcoming atmosphere inside.
- Undesired guests stay outside with the optional fly screen door.

A GOOD NIGHT'S SLEEP AND CUSTOMISED SLEEPING COMFORT

USEFUL IDEAS FOR THOSE „SMALL EXTRA COMFORTS“

CLEVER SOLUTIONS

1. The softclose mechanism on the overhead lockers ensures that they shut without any noise.
2. The upholstery folds back to allow easy and fast access to the storage space underneath the lounge seating.
3. The service hatch, a standard feature, makes loading and unloading easy.

- Well-protected against unexpected cooking hazards - thanks to side splash guards in the kitchen.

FOR THE **MOST DISCERNING STANDARDS**

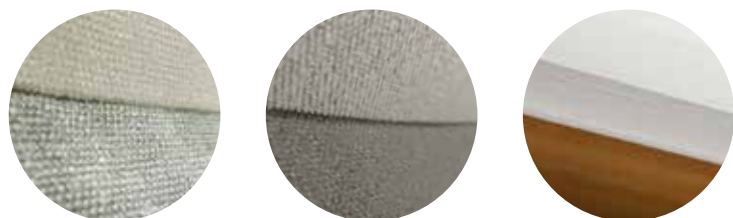

EXTERIOR HIGHLIGHTS

- 1. Robust hammered finish
- 2. Automotive tail light
- 3. Automotive, three-part front end made from ABS plastic
- 4. Gas bottle storage box cover with gas spring
Gasdruckdämpfer

- Service hatch 1.000 x 420 mm front right (layout-dependent)
- Roof and front / rear section in GRP
- Comfort-entrance-door incl. rubbish bin
- Garage door (layout-dependent)
- Third breaking light
- Hinged window with combi-rollo
- Sidewall hammer finish sheet
- Roof hub 400 x 400 mm
- Roof hub 280 x 280 mm (washroom)
- Automotive tail light
- Hinged window, rear, 1.450 x 520 mm (layout-dependent)
- Automotive, three-part front section made of ABS - plastic
- Hinged window, front, 1.515 x 593 mm (layout-dependent)
- Spare wheel holder in bottle box
- Bottle holder with hydraulic shock absorbers

CABINE INTERIOR

- Storage cupboard
- Roll-out-bed (layout-dependent)
- Washroom door with household fitting
- Wall-cupboard flaps softclose
- Seating group extension

- Towel hook
- Mirror
- Wall-cupboard flaps around the full circumference
- Interior walls back in furniture decor
- Winterised wall ventilation
- Cold foam mattresses in single and double bed
- Table with pillar for rounq seating goup (layout-dependent)
- Wardrobe front
- Hydraulic lift for fixed beds
- Modern entrance area with storage place and integrated TV-place (layout-dependent)
- Foldable upholstery

KITCHEN

- Three burner stove with integrated sink
- Fridge 99 ltr. (layout-dependent)
- Side splash guards (layout-dependent)
- Big drawer
- Hinged extension of kitchen worktop (layout-dependent)
- Drawers with self retraction and softclose
- Drawer with cutlery application
- Fridge 141 ltr. (layout-dependent)
- Sink with glass cover

HEATING

- Heating warm air 3004 S (layout-dependent)
- Heating warm air 5004 S (from total width 2,526 mm)
- Air circulation system 230 V

WATER SUPPLY

- Bank toilet with electrical flushing (layout-dependent)
- Freshwater tank 44 ltr.
- Central waste water drainage
- Water hygienic silver pearls
- Washbasin

GAS/ELECTRICITY SUPPLY

- Feed-in socket CEE 230 V
- Central electrical supply 230 V
- Indirect lighting
- Switcher/Sockets (4 pieces)
- 12 V lighting with 400 W transformer
- LED awning lighting
- LED home lighting
- Bed lighting
- Smoke alarm
- Central electrical supply 230 V
- Jäger system (13 pole)
- Reading lights
- Air circulation and cable covers in bed bins
- USB sockets (2 pieces)

LONG LIFE TECHNOLOGY

- 12-years-tightness-warranty
- Roof and front / rear section in GRP
- Fibreglass-material under floor
- High-performance insulation core
- Under floor with XPS-foam an PU-struts

SHOWER PACKAGE (DUP)

- Shower fitting
- Shower curtain
- Wooden shower inlay
- Shower basin

Package weight 6 kg

AUTARCHY PACKAGE HOT-AIR HEATING (APU)

- 12 V ventilation system
- Battery 95 AH AGM
- Accu
- Voltage indicator for battery
- 12 V main switch

Package weight 35.5 kg

AUTARCHY PACKAGE HOT WATER HEATING (APW)

- Battery 95 AH AGM
- Accu
- Voltage indicator for battery
- 12 V main switch

Package weight 32.5 kg

BORN FROM A PASSION FOR CARAVANNING

Simply taking off and enjoying the most wonderful moments of the year. With a vehicle from LMC, you can look forward to doing precisely that whenever you want.

At its production site in Sassenberg, Germany, the creative caravan manufacturer builds modern, future-proof and light engineered caravan, motor-home and camper van models with well thought out layout options that meet all requirements, and plenty of features that reflect the engineering skills Germany is famous for. Our highly-qualified staff know exactly what matters. As passionate campers, we make every effort to ensure that our vehicles are so well designed in terms of quality, safety and comfort that they meet our own high standards. To make sure that all you have to worry about is rest and relaxation, they feature clever technology and functional solutions both inside and out. All LMC components are designed with durability and value retention in mind – your investment into an LMC is therefore a sound choice.

WE MAKE IT **EASY FOR YOU**

Our engineers rely on cleverly designed lightweight furniture and use a well thought out mix of materials and special light engineered components to guarantee that you benefit from a generous user payload.

Across all of our model ranges, we create clear structures and provide transparent information to make it as easy as possible for you to choose the LMC that's right for you.

“During the development, we always consider everything from the perspective of the user. That explains the high-quality and clever design of our habitation spaces.”

MARKUS GRABOSCH, Head of Design and Development

QUALITY YOU CAN RELY ON

LMC stands for outstanding quality, reliability and long-lasting value. We use advanced production technologies to be able to guarantee all three. For added security, we give you our unique quality promise: a twelve-year water ingress warranty.*

See our homepage www.lmc-caravan.de for more information, or ask your dealer.

* All LMC caravans come with a twelve-year water ingress warranty, provided the vehicle is serviced annually by an official LMC partner (service charges apply).

IMPORTANT INFORMATION

All accessory prices are for factory installation. Subsequent installations are subject to additional costs. Any change to the factory settings of your vehicle can lead to impairment of driving or road safety. Accessories recommended by us and original replacement parts have been specially developed for your vehicle and approved by us. Your LMC dealer carries these products; he/she is informed of permissible, technical particulars, and performs the necessary work in a competent manner. Accessories, fixtures, conversion or assembly parts that have not been approved by LMC can lead to damage to the vehicle or impaired road safety.

Even if there is an expert opinion from a specialist regarding the part, a general operating licence for the part, or a type-approval certificate, this does not presume the proper constitution of the product. Please understand that no liability can be assumed for damages caused by products that have not been approved by LMC, or by unauthorised modifications.

The weight in roadworthy condition (1) corresponds to the series design without optional extras. Installation of optional extras increase the weight of the caravan in roadworthy condition (1), and the cargo load is reduced accordingly (2). Please take the weight of the optional extra into account with regard to the cargo load (2).

Changes to prices, technical data, fixtures and furnishings, as well those regarding creative aspects, remain reserved. Information about scope of delivery, appearance and services, correspond to the information available at the time of printing. Deviations of +/- 5 % are possible in measurement and weight data.

The cargo load (2) derived from it can vary correspondingly. Our weight information complies with requirements of EC-Directive 661/2009 and Regulation (EU) 1230/2012.

For safe operation of 12 V devices in the caravan while driving, it must be ensured that the towing vehicle has sufficient voltage. With some vehicles it is possible that the vehicle's battery management switches the battery consumption unit off for protection. Obtain information about this from your vehicle manufacturer.

Corresponds to the current status at the time of printing. We reserve the right to technical modifications to the construction and outfitting, deviations to the colour, or mistakes, colour deviations, are partially print or lighting related.

Some illustrations include optional extras subject to extra cost.

All prices are recommended retail prices in euros, incl. statutory value added tax ex works LMC.

The validity of all previously published price lists expires with the publication of this price list. Valid from 01/11/2021.

FOOTNOTES

- 1) This weight includes the standard design dimensions according to manufacturer information: Liquid, such as fresh water, gas (aluminium bottles) at 100 % and cable drums, without optional extras. This corresponds to a weight of approx. 40 kg (Musica).
- 2) The cargo load must not be exceeded by personal equipment and optional extras.
- 3) Installation in front of axle. This enables the spare wheel holder under the chassis.
- 4) The skylight in the washroom is omitted with the optional extra of the pop-up roof. The washroom window is standard equipment. In addition, the roof hood and/or roof hood Midi Premium is omitted. Usage of the pop-up roof is not recommended in winter.
- 5) Only in combination with pop-up roof insulating mat for buttoning into the pop-up roof. Not available in combination with hot water heating.
- 6) Installation of a kitchen block (replace the two lower wide drawers with two narrow drawers).
- 7) Only in combination with the flat screen holder. Mounting is always in TV-spot 1.
- 8) Flatscreen holder ex works mounted (only TV-spot 1).
- 9) Positioning beside already available sockets (1x kitchen and 2x seat group).
